

 **SAVANNAH STATE**  
**UNIVERSITY**  
NATIONAL ALUMNI ASSOCIATION  
**SOUTHERN REGION CONFERENCE**

My fellow Tigers and guests:

The chapters and at-large members of the Savannah State University National Alumni Association will convene in the "Capital City" of Atlanta for the annual Southern Region Conference to be held at the Atlanta Airport Marriott Hotel from Friday, March 24, through Saturday, March 25, 2017.

I encourage you to take advantage of the special registration rate and book your hotel rooms today. Registration ends on March 14, 2017. So please register early.

It is during times such as these that we need leadership the most. The issues our university, our country and our communities face are threats to us moving forward and we should not be willing to take any backward steps. Our SSUNAA Action Plan will be the cornerstone of this convention and you will hear, see, and learn how to use this plan in your chapters and communities.

We have a lot of work to do during the conference and we will also offer workshops and sessions to enhance your professional and personal development as well as opportunities to build leadership skills that you can take back to your chapters and your communities. At the same time, you and your family will also have the opportunity to enjoy what the great city of Atlanta has to offer. The members of the Atlanta area host chapters are preparing to show everyone a great time in our city.

I invite you to register now. I look forward to seeing you in Atlanta.

Yours in Tiger Spirit,

April Dobb  
SSUNAA Southern Region VP
