

Greetings Alumni, Friends, and Supporters:

Schedule of Activities

The 35th Annual Georgia Alumni Association of Historically Black State Universities (GAAHBSU) Legislative Conference will be held January 28-30, 2020 at the Double Tree by Hilton Atlanta Airport Hotel. GAAHBSU is a consortium initially comprised of the National Alumni Associations of the three Georgia public historically black universities. Savannah State University National Alumni Association, Inc. is host for the 2020 conference. The theme for the 2020 conference is *"HBCUs - Georgia Centers of Excellence."* The purpose of the legislative conference is to unite Albany State University, Fort Valley State University and Savannah State University alumni associations collectively with a common goal of ensuring the longevity of the three Georgia public historically black universities.

The 2020 legislative conference will provide a forum for alumni and current students to dialogue with state legislators, university presidents and other educational leaders. Alumni will be encouraged to address the universities' common goals, objectives and concerns with the key state leaders. Current university students attending the legislative conference will become recruitment ambassadors visiting Metro Atlanta high schools to encourage high school students to attend the three Georgia historically black universities.

Please join us this year as GAAHBSU continues to encourage the state officials, alumni and students to support the sustainment of Albany State, Fort Valley State and Savannah State Universities. Make your reservations soon and let your voice be heard.

Sincerely,

Gregory Hylick
