This year's Honorees will be the **FIRST!**

We will also honor alumni who are FIRST! First in any area of their lives. For example: first to earn a BS degree in the family; first in graduating class; first to start a business; etc. These honorees are asked to contribute \$100 to the scholarship. Their contributions will be recognized with inclusion in the Souvenir book in a special section and a token of appreciation given at the annual Banquet (cost for Banquet is NOT included in \$100 donation).
